

Chief's Citywide "Positive Interaction Program"

For the month of March, our program presentation topic will be:

“Public Crime Mapping”

The Houston Police Department's Crime Analysis Division will outline and demonstrate two new websites that supply and update crime data every 30 minutes, 365 days a year in which you will be able to review, utilize and create crime alerts in your area, view data, and learn many other interesting and helpful tips.

WHERE: 1602 State St. Houston, Texas 77007 (Auditorium)

TUESDAY March 8th 2016 7:00 p.m.

From: Officer James Sobota
Hope to see you there.
